

# TRANSPORTATION & ENVIRONMENTAL SERVICES

Burton Planning Services is highly experienced in providing a wide variety of transportation, environmental, and communications services.

## ABOUT US

BPS was formed in 2008 by Kimberly Burton and is based out of Westerville, Ohio. Our mission is to provide clients with sustainable planning and environmental solutions that are timely, affordable, and customized for the client's specific needs. We are a DBE/EDGE firm with a multi-disciplinary staff of professionals who have core specialties in multi-modal transportation planning, community planning and development, environmental studies, E-learning, and public involvement. We value being a small business because it enables us to be more flexible and adaptable for our clients.
