PROJECT DESCRIPTION

The Active Transportation Academy (ATA) offers in-person and virtual trainings along with e-learning courses for Ohio communities and their representatives who are involved in active transportation projects and programs. ATA has provided education and training to over 1,000 learners across Ohio. BPS has assisted ODOT with the ATA for 5 consecutive years over 4 contracts. BPS has created and updated 15 courses to-date. These courses include both in-person and e-learning formats. Course topics include, but are not limited to:

- ▶ Active Transportation Basics
- ▶ Safe Routes to School Basics
- ▶ Creating an Active Transportation Plan
- ▶ Creating a School Travel Plan
- ▶ Creating a Vision Zero Action Plan
- ▶ Conducting Walk and Bike Audits
- ▶ Traffic Calming for Active Transportation
- ▶ Advocating for Active Transportation
- ▶ Complete Streets Policy Development
- ▶ Mobility Solutions: Transit's First and Last Mile
- ▶ Health and Equity in Active Transportation
- ▶ Adult School Crossing Guard Training
- ▶ Girls in Gear
