## GOALS SURVEY

January 2024

It is important to revisit the goals and objectives from Clinton County's 2021 Hazard Mitigation Plan to help guide the current update to the plan.

### Previous Goals

All goals from the previous plan are listed on the Previous Mitigation Actions Survey. Please determine which of the previous goals, if any, should be included in the next plan.

- Increase public information and awareness about hazards that affect Clinton County.
- Decrease dam hazard level.
- Expand awareness and minimize the effects from drought.
- Expand awareness and minimize the effects from flooding.
- Minimize the effects from hazardous materials.
- Minimize the threat of invasive species.
- Expand awareness about tornadoes and severe storms.
- Increase protection from possible terrorism events.
- Expand awareness about the effects from winter storms.
- Generate discussion on drug misuse and addiction within Clinton County.
- Increase understanding of epidemics/pandemics on Clinton County.
- Minimize possibility of widespread utility failure throughout Clinton County.

### New Goals

Please draft new goals for the plan on the lines below.
